Dear Parents,

Congratulations on considering our school for your child. We are very proud of the warm and wonderful environment we provide and the fabulous teaching and learning program we offer. The information enclosed aims to provide you with a background to our school as well as provide specific information for enrolment. May I also suggest, for further information, visit our web site at [www.agps.vic.edu.au](http://www.agps.vic.edu.au)

If you choose our school for your child, please complete the enclosed enrolment form and return it to the Office as soon as possible. We also require a copy of your child's birth certificate and immunisation certificate (we will take a copy for you). We cannot accept your enrolment without these documents. If you believe there is any specific information about your child that would assist their transition to our school please contact us for further discussion.

In this folder you will find –

- A – Z Parent Handbook. This may answer a lot of your questions
- Primary School Privacy Notice
- Student Enrolment Form
- *Department of Health* Immunization Information for Parents Enrolling a Child
- School Profile
- Sample Payment of School Fees
- School Uniform Policy
- PSW Uniform Shop Price List (15 Mills Street, Cheltenham)
- Sample Canteen Menu
- Sample copy of School Newsletter (electronically distributed via email)
- Out of School Hours Care
- A.G.P.S. Prospectus

If at any stage, prior to your child beginning school, you have any questions or issues please contact me at school. For 2019 Foundation enrolments we will mail to you confirmation of your enrolment, information about our Transition Information and Welcome Night being held in October, and information about our four week Foundation Transition Program which will be held during November.

I look forward to meeting you.
